*Dean, Graduate

Dear Graduate:

On behalf of the faculty, students, and staff of the Graduate School of Education and Human Development, I congratulate you on this special event, your 2020 GSEHD graduation. This milestone in your academic career represents many hours of work and dedication, and I commend you for your efforts.

As you leave us, I encourage you to pursue your ambitions and dreams with passion. To improve the quality of life in our nation, we must stay focused on high quality education, the nurturing of human talent, and the unflagging commitment to increased opportunity for all our people. We have been a beacon to many other countries committed to high standards of access and performance, and we have much to learn from their efforts and successes, especially as the world becomes more complex and interdependent. I hope you will use your talents, knowledge, and passions to strive for these goals.

We hope you will remain connected; please stay in touch! We want to hear about your accomplishments, we would love for you to visit with us, and we will always turn to you for advice on how to improve our programs.

Welcome to the distinguished ranks of alumni of the George Washington University Graduate School of Education and Human Development!

Sincerely,

A handwritten signature in black ink that reads "Michael". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

Congratulations Graduate!

Dear Graduate,

On behalf of the GW Alumni Association (GWAA) – Congratulations! Today you join a distinct group of more than 26,000 alumni of the Graduate School of Education and Human Development (GSEHD) and over 300,000 George Washington University alumni from around the world. In recognition of your accomplishment, we are honored to welcome you to the GWAA, an invested community that inspires lifelong loyalty through alumni engagement. As a graduate of GW, your membership to the GWAA is automatic.

As you know, you are graduating during an unprecedented time in our country and throughout the world that has challenged and disrupted the very means by which we connect with one another. As you begin a new chapter and pursue your post-academic life and career in such times, please know that the Alumni Association exists, perhaps now more than ever, to foster connectivity among the GSEHD and GW alumni community. As alumni, you have access to our lifelong learning opportunities (such as our career webinars, course audit program and library resources) and our many in-person and virtual events to meet faculty and connect with classmates. And, as the most important stakeholders of the school and the university, we hope you will continue our mission to connect by sharing your insights, knowledge, and expertise with our current and future GSEHD students through Career Connect and panel discussions.

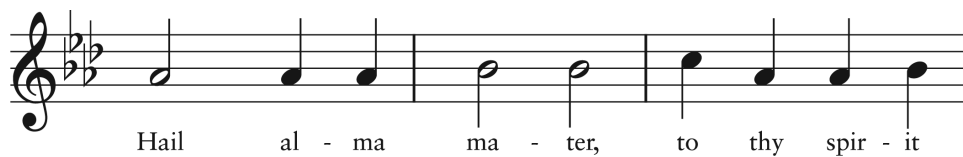

Stay in touch with the Alumni Association through our website at alumni.gwu.edu and through our social media channels. Connect back not only with your faculty and cohort, but with the larger GSEHD and GW network around the globe.

Thank you for the work you have done and the work that you will do as leaders in education and human development! All of us at GW are proud of your accomplishment and we look forward to hearing the stories of your continued success.

Welcome to the George Washington Alumni Association!
